Re: Access to 211 E. Grand

Dear Mr. Bedell:

Pursuant to our telephone conversation yesterday, enclosed please find your client's written consent for access to the property executed on November 28, 2000, and U.S. EPA fact sheets dated April, May and June 2000 and February 2001 that address thorium contamination in the Streeterville area.

I look forward to setting up a date for an interior radiation survey at 211 E. Grand. Please contact me at (312) 886-7166 or Mary Fulghum, Associate Regional Counsel, at (312) 886-4683 once you review the enclosed documents.

Sincerely,

A handwritten signature in black ink that reads "Cathleen R. Martwick".
